

**Graduate School of Modern Society and Culture, Niigata University
Secondary Recruitment (August 2025 Exam – October 2025
Admission)**

**Master's Program of Society of Law and Politics,
the Course of International Society**

Application Guidelines

1. Introduction

Graduate School of Modern Society and Culture is a comprehensive graduate school where students make research in the fields of Literature, Law, Economy and Business, aiming to obtain Master Degrees and Doctor Degrees.

Among nine courses provided by the graduate school, the Course of International Society under the Major of Legal Society awards Master Degrees of Law(LL.M), Public Administration, or Philosophy by making researches into themes related to laws and public administration in English with all the necessary process conducted in English, from entrance exams, lectures and seminars, to thesis writing.

This guideline is for students who plan to take an entrance examination to the Course of International Society for admission in 2025.

2. Admission Policy

This course aims to foster professionals and researchers with ability to find problems, related to laws and public administration, to be resolved in a current society and to propose solutions to them with professional expertise and insights, with the view of building a mutually acceptable society.

Students are most welcome who understand our admission policy and have enthusiasm and potential ability to be such professionals and researchers.

3. Number of enrollees

Several

13. Announcement of successful applicants

(1) Date

August 27, 2025 (Wed)

(2) Place

The examination numbers of successful applicants will be posted and announced on the website of the Graduate School of Contemporary Social Culture, Niigata University, and a notification of acceptance will be sent to successful applicants. (<https://www.gens.niigata-u.ac.jp/>)

However, we never respond to inquiries made by phone or by similar methods regarding application results.

14. Admission procedure

The admission procedure period is shown below.

From September 4 (Thu) to September 5 (Fri), 2025

The admission fee is shown below, and other details regarding the admission procedure will be mailed to the successful applicants.

- Admission fee: 282,000 yen (estimated amount)

The successful applicants are required to pay the following tuition fee at the beginning of each semester.

- Tuition fee: 535,800 yen per a year, 267,900 yen per each semester (estimated amount)

(If the tuition fee amount is modified while the student is attending the university, a new tuition fee will be applied from the modification date.)

15. Treatment of personal information used to select the enrollees

- (1) Regarding the names, addresses, and other personal information that the applicants gave to the university when they applied, it will be used only for the following purposes: (a) the enrollee selection (application process, selection process), (b) announcement of successful applicants, (c) the admission procedure, (d) research, study, and analysis of the enrollee selection methods or similar, and (e) other tasks associated with these matters.
- (2) The personal information regarding the exam results used to select the enrollees will be used to research, study, and analyze the enrollee selection methods or similar.
- (3) Regarding only an enrollee's exam results and personal information given to the university upon application, it will be used after the admission to conduct tasks related to the following: (a) educational affairs (school register, study instructions, etc.), (b) matters related to student support (health management, scholarship application, etc.), and (c) tuition fees, etc.
- (4) Moreover, in regard to personal information, the successful applicant's name and address may be used by the university's alumni and support associations.

16. System for extending the period of study

This system is for students who meet any of the following criteria: (i) applicants currently in employment (including a part-time job) who have difficulty in securing necessary time for your study, (ii) applicants currently in childbirth, childcare or nursing care of a relative who have difficulty in securing necessary time for your study, (iii) applicants with a physical or mental disability. The course term can be extended up to 3 or 4 years beyond the standard term of 2 years. Tuition fees in this system must be paid in installments by dividing the total tuition fee amount for the standard period of your curriculum by the approved number of years of study.

17. Exemption from Entrance Examination Fee

To help alleviate the economic burden on disaster victims, and to secure the educational opportunities of applicants from the affected areas, Niigata University will be implementing a special measure for exemption from entrance examination fee. For details, please check the university website.
